Dear (Manager's Name),

It was a pleasure meeting with both you and John Smith this past Thursday regarding the Principal Bassoonist position. After our conversation, I have a better understanding of the job requirements and what I would need to do in order to succeed in the Principal Bassoonist role. I am very excited about the prospect of joining the Los Angeles Philharmonic. This organization has no shortage of personal and professional opportunities to offer. Touring across the United States and mentoring young musicians in the Los Angeles area would be a dream come true for me.

Before coming to Los Angeles, I majored in music, performing extensively during my four years at Washington State University. During this time, I was awarded the School of Music Scholarship, and my university Woodwind Ensemble received first place in the Fischhoff National Chamber Music Competition.

In addition to the groups I performed with at my university, I have also contributed to professional orchestras in Washington, such as the Seattle Symphony Orchestra, Oklahoma City Philharmonic, and Olympia Symphony. Furthermore, I have taken on various roles as a freelance bassoonist for recordings. Through gigs as Sub, Regular, and First Chair, I have honed my bassoon skills and gained competence in working alongside my fellow musicians to produce excellent music.

I am aware that you are working under time constraints and looking to fill the bassoonist vacancy by the beginning of next month. If selected for the Principal Bassoonist part, I'd be available to start immediately. If you have any questions or require additional information, please feel free to contact me by phone at (000) 000-000 or email any time.

Thank you for your time and consideration. I look forward to hearing from you.

Sincerely,

[YOUR NAME]
